Dr. Kien Vuu is one of the most sought-after anti-aging physicians in the country. At his VuuMD Longevity and Performance Clinic, Dr. Vuu regularly works with celebrities, top corporate executives, and high-performing professionals to optimize their health, performance, and vitality.

He's also a health media personality, appearing on national TV shows such as: The Doctors and Access Hollywood, and helps to train the next generation of physicians as assistant professor of health sciences at UCLA.

As someone who has overcome two chronic diseases himself, Dr. Vuu is passionate about empowering people to reclaim their health and live with fulfillment, abundance, and purpose.
